Dear Dr Bento

DETERMINATION OF IDEAL CEPHALOMETRIC VARIABLES IN JUVENILE PORTUGUESE POPULATION

It is a pleasure to inform you that the above abstract, which was considered anonymously by a panel of reviewers, has been selected as a SCIENTIFIC POSTER presentation. This should be constructed to a maximum size of 92 cm (width) x 235 cm (height). To enable delegates to easily read the information the lettering should be a minimum of 1 cm high. Your poster should be on display throughout the conference i.e. from 09.00 hours on Monday, the 15th June to 14.00 hours on Wednesday, the 17th June. A session has been set aside for you to discuss your data with the Congress participants on Tuesday, the 16th June from 16.00 to 18.00 hours. **You should be present at your poster during this time.**

Stewards will be available to provide you with material with which to attach your poster to its stand.

Your abstract will be published on the Congress website and on the on-line version of the European Journal of Orthodontics, copyright will be protected, it will be searchable, and it can be cited in other publications.

If you accept this offer of a presentation and then fail to present the data, you will not be allowed to present in any format at the Congress of the EOS in Stockholm, Sweden in 2016.

I should be grateful if you would complete and return the 'Disclosure of financial and/or beneficial interest' form as soon as possible, remembering to tick the appropriate box. **THE DEADLINE FOR RECEIPT IS THE 15TH MARCH 2015.**

All presentations and publications are dependent on your registration and payment of the appropriate delegate's fee.

We look forward to welcoming you to Venice.

Yours sincerely

Antonio Miotti
