Dear Joao Pitta,

On behalf of the Scientific Committee, we would like to thank you for submitting your abstract for the EAO-SEPES Joint Meeting 2017 to be held in Madrid, Spain, from October 5th to 7th.

It is our pleasure to announce you that your abstract n°7454 entitled "Stability of zirconia mesio-abutments bonded to titanium bases restored with monolithic crowns" has been **selected for a Poster Display** !

Congratulations!

Please note **registration of at least one author of the poster is mandatory** in order to confirm the poster. Without registration before June 26th, the poster will be withdrawn from all documents of the congress, will not be published and will not be displayed.

Start your registration now : <http://www.eao-sepes2017.com/en/congress-eao/registration-accommodation>

If you are not the presenting speaker, please reply to this email and indicate us the contact details of the good person.

We remind you that the abstract book (COIR supplement) will only be available online.

More information about poster set up coming soon.

We remain at your disposal for any further question or information,
Best regards,

EAO Scientific Secretariat
