Dear CORREIA Francisco,

Congratulations on being accepted to present your research as an ePoster during the IAO-EAO-SIdP joint meeting 2024 (24- 26 October2024)!

We would therefore like to invite you to make the following submission(s):  
ePoster n°: IAO-EAO-SIdP-425

**Title: Five-year analysis of implant survival rates in lateral sinus lifting -- randomized clinical trial**

### Registration

It is essential that you or one of your co-authors register to the IAO-EAO-SIdP joint meeting 2024 to ensure that your abstract will be published in the COIR supplement.

More information can be found at the following link:

[Registration portal](#)

Simply click your personal upload link below which will take you to the submission portal.  
(Please select the Submission section of the menu on the left hand side to access and submit your ePosters.)

LOGIN: [franciscodcorreia@gmail.com](mailto:franciscodcorreia@gmail.com)

PASSWORD: a#ZusHF3

Submission portal

In order to create your poster, please use the template corresponding to your topic:

Clinical Research - Surgery template

Each poster must be submitted **as a single-page PDF document** with the use of the provided template in landscape orientation.

**Please upload a file via the submission platform before October 20th**

Questions and support

If you have any open questions, don't hesitate to reach out to our support team by using the chat widget on the bottom right corner of the website.

Sincerely,
