Instructions for Research Posters Presentations

- Accepted abstracts will be displayed in the Research Posters Area located in Level D.
- Each poster will be integrated into a **Poster Cluster** by topic of submission.
- Each poster has been assigned with a number (as mentioned above) and must be mounted on the poster board marked with that number.
- Poster size must be A0: cm. 84 (width) x cm. 118 (height) or smaller, VERTICAL (portrait).
- Posters must be mounted between 08h00 and 09h00 of the day of presentation and removed at 18h00 of the day of presentation. The Executive Secretariat will dispose of any unremoved poster after 18h00.
- You will have at your disposal mounting material (double side tape), please make sure you print your poster in an appropriate material to last for the duration of the display day.
- The Organising Secretariat is not responsible for posters that have not been collected at the end of the display day.

Registration:

We would like to remind you that your abstract will only be fully accepted once the presenter/submitter is registered to the congress.

If you are not the presenter of the above-mentioned abstract, please make sure to inform the presenter about the need to register accordingly as soon as possible.

We thank you once again for your contribution and remain at your disposal for any further assistance you may need.

Yours Sincerely,

The Organising Secretariat
Elisabetta Del Prete
