Dear Rui Amaral Mendes,

On behalf of Scientific Committee we are very pleased to confirm you that your abstract "**Oncogenic pathways and oral carcinogenesis**", was **accepted** to be presented as **oral presentation** in the 16th International Congress of IAOP - International Association of Oral Pathologists, to be held in Sao Pedro, SP, Brazil, on July 30 to August 3, 2012.

- Date: 02-ago
- Final number: OP.45

Instructions

1. Oral presenters are allocated 15 minutes. **(the last 5 minutes of your allocated time– is dedicated for questions and answers from the floor). Discussion will be mediated by chairpersons.**
2. All presentations should only be made into MS Powerpoint Files. Those who are using Macintosh or Linux OS, please ensure your presentation is compatible to Windows OS.
3. When you arrive to the convention center for registration, please load your presentations into the allocated computer in the Business Center. There will be a technician to assist you there. You can bring along a CD or USB Pen Drive. Please be advised that there will be no loading of your presentation at the presentation venue, and you are not allowed to use your own laptop for presentation.
4. All presenters must show up at the presentation venue at least 10– 15 minutes before your session begins, and report to the Session Chairperson.
5. No presenter will be allowed to talk more than the allocated time. It is important for you to ensure that allocated time interval is strictly adhered to.
6. Presentation and projection must be in English

Important

We would like to remind you that, for the abstracts be published in the journal Oral SurgOral Med Oral Path Oral Radiol, at least one author need to be with the registration paid by May, 30, 2012.

Registrations paid after may, 30 will allow authors to attend the Congress but the abstracts will not be published in Trioral. "

We would like to remind you that if you happen to be traveling on a Canadian or American passport you will need to issue a Tourist Brazilian Visa in your country prior the departure. This rule also applies to nationals from certain other countries. To see if this rule applies to your country visit <http://www.portalconsular.mre.gov.br/> or <http://www.estomatologia.com.br/iaop2012/travel.asp>

If you need additional help, you can reach us at iaop@eventus.com.br

We are looking forward to seeing you in São Pedro!
