

Subject: PEF IADR Abstract acceptance

Date: sábado, 14 de Junho de 2008 23H05m19s Portugal (Lisboa)

From: f.j.hughes@qmul.ac.uk

To: sofiaaol@fmd.ul.pt

Dear Dr Oliveira

I am pleased to inform you that your abstract "Shear Bond Strength of New Self-etching Adhesives" has been accepted for presentation as a Poster presentation for the PEF IADR meeting in London. Your presentation session, "Adhesion/Dentin/Self Tech Systems ", is scheduled for Wednesday, September 10, 2008 to start at 11:30 AM in Poster Hall 1 . Information about final abstract presentation number and technical information about poster or oral presentation requirements will be emailed to you shortly.

All abstracts have been carefully reviewed by our referees and in allocating abstracts to sessions we have tried to ensure abstracts are grouped in coherent themes; on some occasions this has meant that it has not been possible to allocate papers to the presenter's preferred presentation mode.

If you have any major problems with the proposed schedule please let us know as soon as possible; please note that it will not be possible to reschedule abstracts at this stage due to unavailability for specific times during the meeting.

To obtain the discounted early registration rate please remember that the deadline is next Wednesday 18th June (- although we have arranged to provide up to 2 days extension - final deadline for early registration will be Friday 20th June at midnight GMT). Registration should be made online at www.pefiadr2008.com.

For those wishing to organise their travel arrangements, the meeting will run from 9.00am Wednesday 10th June to 4.00pm Friday 12th June at 4.00pm. There is a full program throughout these times.

Yours Sincerely

Francis Hughes

Chair LOC
