Dear Miguel Mendes de Oliveira,

I am delighted to inform you that your abstract 180325 entitled Effect of Acetylcholinesterase on the Cytotoxicity of Acrylic Reline Resins has been accepted for presentation at this year's Scientific Groups. The meeting will take place September 4-7, 2013 in Florence, Italy.

Details of the program are being put together now and we plan to tell you of the exact time and style of your presentation in the next few weeks. Where we can, we will attempt to honor existing requests for a particular style of presentation or to avoid certain days.

The registration deadline for presenters is June 21, 2013.

Registration is available at <http://www.ced-iadr2013.com/onlineregistration.php>.

I look forward to seeing you at what will be a very exciting meeting.

Regards,

Marco Ferrari, M.D., D.D.S., Ph.D.

President CED-IADR
