

Maria Cristina Bettencourt Neves  
Faculty of Dental Medicine, University of Lisbon

Lisbon, Portugal

Abstract ID#: 179745

Abstract Title: Toxicity of Acrylic Reline Resins submitted to Salivary Esterase

Dear Maria Cristina Bettencourt Neves,

It is a pleasure to inform you that your abstract has been ACCEPTED for presentation at 46th Meeting of the Continental European Division of the International Association for Dental Research with the Scandinavian Division (NOF) September 4-7, 2013. The meeting will take place in Florence, Italy.

Please note that some students/co-workers have provided an alternate email address for notification, so if this letter is addressed to a colleague, please forward it to his/her attention. Email notifications are sent only to the address provided for the presenter when the abstract was submitted; it is the presenter's responsibility to notify co-authors.

Please DO NOT lose this notification. The mode of your presentation has been assigned by the Group Program Chair and must be followed as we are unable to change it at this date. Assignments were based on authors' requests as much as possible.
