Mariana Albergaria

University of Lisbon

Lisboa, Portugal

Abstract ID#: 180003

Abstract Title: In vitro hydrogen peroxide release kinetics of two bleaching products

Dear Mariana Albergaria,

It is a pleasure to inform you that your abstract has been ACCEPTED for presentation at 46th Meeting of the Continental European Division of the International Association for Dental Research with the Scandinavian Division (NOF) September 4-7, 2013. The meeting will take place in Florence, Italy.

Please note that some students/co-workers have provided an alternate email address for notification, so if this letter is addressed to a colleague, please forward it to his/her attention. Email notifications are sent only to the address provided for the presenter when the abstract was submitted; it is the presenter's responsibility to notify co-authors.

Please DO NOT lose this notification. The mode of your presentation has been assigned by the Group Program Chair and must be followed as we are unable to change it at this date. Assignments were based on authors' requests as much as possible.
